

# Working Group Instructions

- Meet Wednesday afternoon, Thursday morning and afternoon, and Friday morning
- Can break into smaller groups as needed
- Move among working groups if you like
- Groups present summaries to the final plenary session

# Working Group Instructions

Each working group to select **recorder(s)** and **reporter(s)** to present the group's ideas in plenary sessions.

# Working Group Instructions

**Recorders** track and document discussions for:

- a succinct presentation of the working group's deliberations during plenary sessions, and
- bulleted "snapshot" summaries of working group discussions to be posted outside the working group room after each session

# Working Group Instructions

**Reporters** present a succinct summary of the working group's discussions in plenary sessions.
